

2024 SUMMER CONSTRUCTION CAMP

**3-DAY MINI-CAMP FOR
3-YEAR-OLD STUDENTS
JULY 29, 30 & 31**

Through construction play, children will engage their imagination and creativity! In this 3-day minicamp program children will explore shapes and structures using a variety of materials including blocks, magnetiles, boxes, sensory bins and more! Through hands on exploration and inquiry children will develop hand-eye coordination, motor skills, engineering skills, math skills, problem solving skills, language skills, and spatial reasoning. Campers will have fun while they learn by doing!

Camp activities will take place indoors and outdoors with lots of opportunities for outdoor water and physical play.
